

# SUPERCOMPUTER CLASS

UNIVERSITY OF MINNESOTA

MONDAY – FRIDAY

JUNE 19-23, 2017

**Learn how supercomputers use Big Data**

**As we study the Human Genome**

We will also visit various labs at the University including:

traffic and heart studies...

Bus rides to and from Washington Technology are provided

Lunch is provided as part of the class.

Class meets at Washington Technology Magnet

Room 3440

From 8:45am Until 2:45pm

From Washington, we will take a field trip bus to the University of Minnesota.

The class is offered at the University of Minnesota's Supercomputer Labs

To register, please complete the field trip form.

Return to Mrs. Kapler Room 3440

Program is sponsored by the Saint Paul Public Schools and is funded in part with a grant from the Minnesota Department of Education using federal funding, CFDA 84.287c, 21<sup>st</sup> Century Community Learning Centers.
